The Village needs the services of a paid professional Town Manager in addition to the volunteer Village Council.

A stipend for council members would increase my interest in seeking a council position.

Planning & Zoning ordinances and regulations need to be strictly enforced.

Opportunity for public participation in Village government is important to me.

I receive timely information from the Village Council.

I regularly go to the Village website to get information.

Foxfire should continue to own and operate its own water system.

The quality of Foxfire's water is good.

The quantity of Foxfire's water in the future concerns me.

10 The fact that Foxfire relies on local well water concerns me.

22

27

42 The Village has adequate green space with the Village Green Park and the Village pool area.

43 I support the construction of multi-family units and condos for permanent residents within Village corporate limits.

44 I support the construction of resort units and condos within the Village corporate limits.

45 The golf courses are critical to the present and future viability of the Village.

46 I support commercial development within the Village corporate limits.

47 The Village should limit commercial development to the current Village Business District selected areas (and remain primarily residential).

48 The Village should limit residential development to low density neighborhoods.

49 The Village should encourage the use of cluster neighborhoods where housing is clustered together with accompanying green space for common use.

50 I am aware of the opportunities to serve on the Village Council, Planning & Zoning Board, the Appearance Commission, the Board of Adjustment, and Yard Debris operations.
